20 Fully-funded PhD Positions for 4 Years

25/03/2021

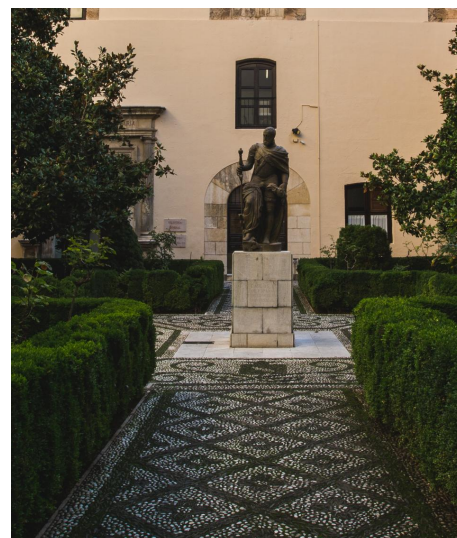

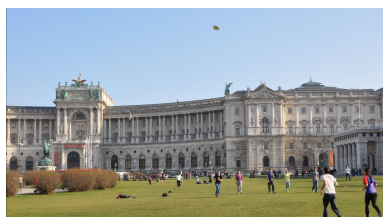

We invite applications from motivated and knowledgeable young scientists from all over the world. Applicants should hold a Master's degree or equivalent in the field of Natural Sciences or other relevant fields.

Students at the Vienna BioCenter PhD Program are supervised by leading scientists and have full access to state-of-the-art facilities. The Vienna BioCenter Campus is extremely dynamic and highly multidisciplinary with research areas ranging from molecules to populations.

Check out our website (link below) for details of the many exciting projects or register for our Virtual Info Session on Friday 19 March at 1700 (CET).

Please pass this on to other interested people!
