

UNIVERSIDAD DE GRANADA

Máster Universitario en
Biotecnología

Ciclo de conferencias

30/05/2014

INSTITUTO DE BIOTECNOLOGÍA

The poster features the title 'INSTITUTO DE BIOTECNOLOGÍA' at the top, followed by a graphic of a microscope eyepiece and a molecular structure. Below this is the section 'CICLO DE CONFERENCIAS'. It lists two speakers: Dr. Hugo Roume from Ghent University, Belgium, and Dr. Ramiro Vílchez Vargas from the same institution. The schedule includes 'JUEVES DÍA 29 DE MAYO DE 2014 A LAS 11.30h' and 'VIERNES DÍA 30 DE MAYO DE 2014 A LAS 12 HORAS'. The location is 'Seminario - Centro de Instrumentación Científica Campus de Fuentenueva'. Logos for the University of Granada and the Institute of Biotechnology are at the bottom.

Conferencia 1: A Biomolecular isolation framework for eco-systems biology

Dr. Hugo Roume

Laboratory of Microbial Ecology and Technology, Ghent University, Belgium
JUEVES DÍA 29 DE MAYO DE 2014, A LAS 11.30h

Conferencia 2: Taxonomic and catabolic bacterial profiles in contaminated soils: A high-resolution analysis shows the same players with different scripts

Dr. Ramiro Vílchez Vargas

Laboratory of Microbial Ecology and Technology, Ghent University, Belgium
VIERNES DÍA 30 DE MAYO DE 2014 A LAS 12 HORAS

Seminario - Centro de Instrumentación Científica Campus de Fuentenueva
ORGANIZA: INSTITUTO DE BIOTECNOLOGÍA
