5th International Summer School on Circular Bioeconomy and Sustainable Development

Desde el Mié., 20/06/2023 - 15:20

With the global focus on Circular Bioeconomy, the key players are the new generation of experts and managers who possess a broad educational background and can cover the entire spectrum of this multidisciplinary and cross-sectoral field. Within this framework, we

would like to invite students and young scientists to participate in the 5th Summer School to be organized Live at Perrotis College (American Farm School), Thessaloniki, in July 2023.

REGISTRATION & FEES LIVE IN THESSALONIKI

Fee: To be announced

Pre-booking is available and offers a reduced registration price.

The fee will include expenses for Summer School participation, coffee breaks, light lunch, dinner in Thessaloniki Center, and the grill party.

NUMBER OF PARTICIPANTS

Up to 60, preferably graduates and at relevant Master's level and above from the European Continent. A number of Secondary School Teachers, as multipliers, will be considered. Applicants will be selected based on the submission of a short CV. Participants are encouraged to make travel and accommodation arrangements as early as possible to minimize costs.

EXPRESSION OF INTEREST

To express your interest to participate, you can contact the organizers via email at perouli.anastasia10@gmail.com & cvorgias@biol.uoa.gr. (email subject ISSCBS2023)
