Organization

Consortium governance structure includes 2 main bodies, the Academic and Management Board (AMB) and the Quality Assurance Board (QAB). The AMB is the consortium governing body and senior academic authority.

The operational management of COSI master degrees is the responsibility of both the consortium coordinating institution, the Norwegian University of Science and Technology, represented by the Academic Coordinator Prof. Jean Baptiste and Administrative Coordinator Amelie and Local Coordinators in each full partner / hosting universities.

Coordinator at UGR

- **Juan Luis Nieves Gómez**
 - Academic and Management Board (AMB)
 - Quality Assurance Board (QAB)
