Bloomberg Philanthropies PhD Studentships in Cities - Applications for 2026 Entry

13/11/2025

LSE Cities has recently opened applications for the Bloomberg Philanthropies PhD Studentship in Cities. This new opportunity will provide funding and support to doctoral students entering select LSE programmes in September 2026.

We hold your institution and department in high regard and feel that your postgraduate students and alumni may find this opportunity particularly relevant. I would be very grateful if you could circulate the attached flyer to help raise awareness among those who might wish to apply.
