Scientific Workshop on Bioactive Compounds: Molecular Insights and Publication Strategies

Program

09:30 – 09:45 : Opening Session
Dr. Cristina Sanchez Cordoba, director of Biomedical Research Center (CIBM), University of Granada.
Dr. Vito Verardo, director of Functional Food R&D Center (C2F47).
Dr. José L. Guzmán, director of the Biomedical Research Center and Institutes and for the Office of Singular Projects, Vice Rector's Office for Research and Knowledge Transfer, University of Granada.

09:45 – 11:00 : Scientific Talks
09:45 – 10:15: Bioactive compounds, adiponectin, and obesity: new frontiers for research? Dr. Maurizio Battino, Polytechnic University of Marche, Italy.
10:15 – 10:45: Circular innovation in food systems: Natural ingredients and functional solutions from bio-residues
10:45 – 11:15: Modulating the nutritional potential effects of food matrix and processing on bioactive compound retention and bioavailability. Dr. Eren Capengolu, Istanbul Teknik Üniversitesi, Turkey.
11:15 – 11:30: Allotgether discussion.

11:30 – 12:00 : Coffee break

12:00 – 12:05 : LUNCH: Publishing with Impact. A General Overview of the Editorial Process in the Open Access Publisher MDPI
Dr. Jesús García-Cam, Journal Relations Specialist. Dr. Alberto Laramba Molins, Marketing Assistant. Key topics: MDPI, the LMS and Open Science, Peer review and the Editorial Process, Tips on Scientific Writing and preparing the manuscript, Research Integrity, Publication and the use of Generative AI.

Venue
Centro de Investigación Biomédica (CIBM), Universidad de Granada, Avenida del Conocimiento, s/n, Armilla.
