ADAPTATION OF THEORETICAL AND PRACTICAL CONTENT (Add description in text, where appropriate)	
Not applicable (face-to-face learning period is finished).	
MEASURES TAKEN TO ADAPT TEACHING METHODOLOGY (Teaching and learning activities, indicating tools for distance teaching, where appropriate)	
Not applicable (face-to-face learning period is finished).	
MEASURES TAKEN TO ADAPT TO DISTANCE ASSESSMENT (Alternative tools for distance assessment, indicating assessment instruments, criteria and percentages of overall mark)	
Ordinary assessment session	
Not applicable (ordinary assessment finished).	

Extraordinary assessment session

We consider **two possible scenarios in September** (depending on the evolution of the COVID19 situation):

A. In case of face-to-face exam session:

Extraordinary assessment session will take place in September. Date and room for the extraordinary assessment session will be fixed at least 15 days in advance and will be communicated in PRADO.

Percentages of overall mark (100%):

- Written test, with 15-20 objective questions referred to the theoretical content (50%)
- Test with several practical questions (50%)

B. In case of distance mode in September:

Extraordinary assessment will consist of an online session in PRADO, and will take place in September. Date of the extraordinary assessment session will be fixed at least 15 days in advance and will be communicated in PRADO, along with a list of instructions for the development of the online session.

Percentages of overall mark (100%):

- Online theoretical test (in PRADO) with 15-20 objective questions referred to the theoretical content of the subject (50%).
- Online practical test (in PRADO) with several practical questions in which apply the knowledge acquired (50%)

MEASURES TO ADAPT SINGLE FINAL ASSESSMENT TO DISTANCE MODE

(Alternative tools for distance assessment, indicating assessment instruments, criteria and percentages of overall mark)

Not applicable (single final assessment finished with ordinary assessment).
